TSCPA Debuts New Affiliate Membership Category for Non-CPA Employees

At the Midyear Board of Directors Meeting in late January, TSCPA leaders approved creating a new membership category for non-CPA employees who work for or are supervised by a current TSCPA fellow member. The new non-CPA employee affiliate membership lets more people take advantage of TSCPA's benefits, including accounting news and information, discounts on products and services, education and training, insurance, and more. Members of this new affiliate category must work on a substantially full-time basis and be sponsored by the TSCPA member who employs or supervises them.

Your Secret is Safe

"I think I have a problem, but I'm afraid to talk about it. I don't want people to see me as weak and unable to control my drinking, even though I had a scare last week when I drove home and don't remember how I got there. Is there someone I can talk to without the world knowing about it?"
